

## DEAD SEXY

I met a boy I made him ill

**F# A B G#**

So he buried me at the top of dead  
mans hill

**F# A B G#**

I came back just like a cat

**F# A B G#**

When he opened the door he had  
a heart attack

**F# A B G#**

I was different than before

**D# C# A# A#**

he know I had to have one more

**D# C# A# A#**

Pushed in cheeks and picked up lips

**F# A**

Boney face and pale white skin

**B G#**

He knew his life would be missed

**F# rest B G#**

But he had to have a deadly kiss

**F# rest B G#**

## CHORUS

Cause I'm dead, I'm dead,

**D# C# A# G# X2**

I'm so damn dead, I'm SO dead sexy

**D# C# A# G# X2**

I knew he didn't want me around

**F# G#**

but now I'm coming out of the ground

**A# G#**

Ya baby, dead sexy

**F# rest B G#**

Now after my deadly kiss

**F# A B G#**

Things started to change they  
started to twist

**F# A B G#**

The sun was gone and people start-  
ed to hide

**F# A B G#**

All the monsters come out when it's  
dark outside

**F# A B G#**

They wanted to see this new beast

**D# C# A# A#**

This sexy undead me

**D# C# A# A#**

They said now I had lost some  
weight

**F# A**

but loved I moved with a cool new gait

**B G#**

Yeah baby dead sexy

**F# rest B G#**

Yeah baby dead sexy

**F# rest B G#**

## CHORUS

Cause I'm dead, I'm dead,

**D# C# A# G# X2**

I'm so damn dead, I'm SO dead sexy

**D# C# A# G# X2**

I knew he didn't want me around

**F# G#**

cause now I'm a rotting corpse

**A# G#**

Yeah baby dead sexy

**F# rest B G#**

Now you might think things would

end right here

**F# A B G#**

But I called the boys for a couple of  
beers

**F# A B G#**

All the girls and boys started to get  
down

**F# A B G#**

Now graveyards are hoppin all over  
town

**F# A B G#**

So if you're bored come to our town

**D# C# A# A#**

Well eat your brains and have  
another round

**D# C# A# A#**

If you're dead you can't stay

**F# A**

Everyones heres dead anyway

**B G#**

Yeah Baby, We're Dead Sexy

**F# rest B G#**
